There has been a fast track since Gov Neusom made the announcement that all schools should open by April 1st. We are reviewing the plans with Dr. Baker and there will be a district meeting tomorrow at 7pm. We are focusing on K-5 and middle school. All teachers are getting vaccinated.
- There are a lot of unknowns but will update as we know more - need to have an idea of who is coming back to make arrangements
- Need to know the number of students coming back per grade level
- Majority of teachers will be coming back
- K-5 is looking at an AM / PM model - students come to school 2 - 2.5 hours a day
- Parents are required to finish the minimum learning time
- Weds will stay async - kids on campus 4 days per week
- There will be 45 mins in between for teacher lunch / sanitize
- Schedule depends on how many come back - only half responded to survey so far
- 90% want to return from surveys received
- Middle school possibly cohorts by subject blocks

- Windows and doors will be open and portable filters

- Teachers are given a choice to return

- Will try to work with PPC and kids corner as much as we can
- Reaching out to kinder separately as not to confuse them
